DETAILS

Date of Birth:

11/02/2007

Gender: Female

Marital Status: Single

Nationality: India

SUMMARY

Motivated 3rd-year Computer Engineering Diploma student at Government Polytechnic Pune with a strong foundation in Python and data-driven problem solving. Passionate about exploring Artificial Intelligence and Machine Learning through hands-on project development and modern web technologies. Eager to leverage my technical skills and quick-learning ability in a challenging internship role to contribute to real-world data analysis and engineering projects.

SKILLS

Python

Data Analysis

Machine Learning

SQL

HTML/CSS

Git/Github

HOBBIES

Artificial Intelligence
& Machine Learning

EMPLOYMENT HISTORY

Project Developer – Data Analytics & AI/ML, Personal Portfolio (GitHub)

MAY 2026 - TILL DATE, PUNE, MAHARASHTRA

- Designed and developed a responsive personal portfolio website using HTML and CSS to centralize and showcase technical data projects.
- Utilized Git and GitHub for version control, ensuring clean code management and successful deployment via GitHub Pages.
- Structured project documentation to clearly communicate data cleaning processes, analytical insights, and machine learning models.
- Optimized the website layout for seamless user experience across desktop and mobile devices.
